We Invested

FOREWORD

We, the Senior Class of Lanphier High School, have endeavored by written and pictorial record to set forth in this book, the 1943 Lan-Hi, the principles under which we have lived during these four most important years of our lives.

We have worked to develop those traits so necessary to the American way of life--faith, loyalty, self discipline, and sportsmanship. Thus armed, we face the uncertain future with courage and confidence.

Winterset

TO THOSE WHO SERVE

"Oh, the little more, and how much it is!
And the little less, and what worlds away!"

Robert Browning.

Whether it be on the production line, on the fighting front, or on the home front; whether it be in the daily operation of a huge corporation, of a hospital, or of a school, the efforts of those participating are influenced by two purposes or aims which create a desire to succeed.

Although some workers are satisfied with material reward, there are others who give their services with no thought of reward, their only compensation being the knowledge that they have helped to achieve something worthwhile. At Lanphier, these are the students who give freely of their time and talents to assist teachers and school officials in the performance of their duties.

For their tireless effort and efficiency, their willingness to cooperate, and the spirit in which they accept responsibilities, we, the Senior Class of '43, do dedicate this book to the student assistants--the Aides de Camp of Lanphier!

A YEAR OF ACHIEVEMENT

It is with much satisfaction that we look back on the achievements of the year now closing. In spite of the difficult conditions imposed by the war our school has been able to maintain all of the normal services usually rendered to the student body.

The various extracurricular activities, including the Lan-Hi, the Lanphier Light, the athletic teams, the dramatic and speech groups, and the musical organizations, have all had splendid records. The Student Council has done well in promoting stamp and bond sales and in the collection of scrap.

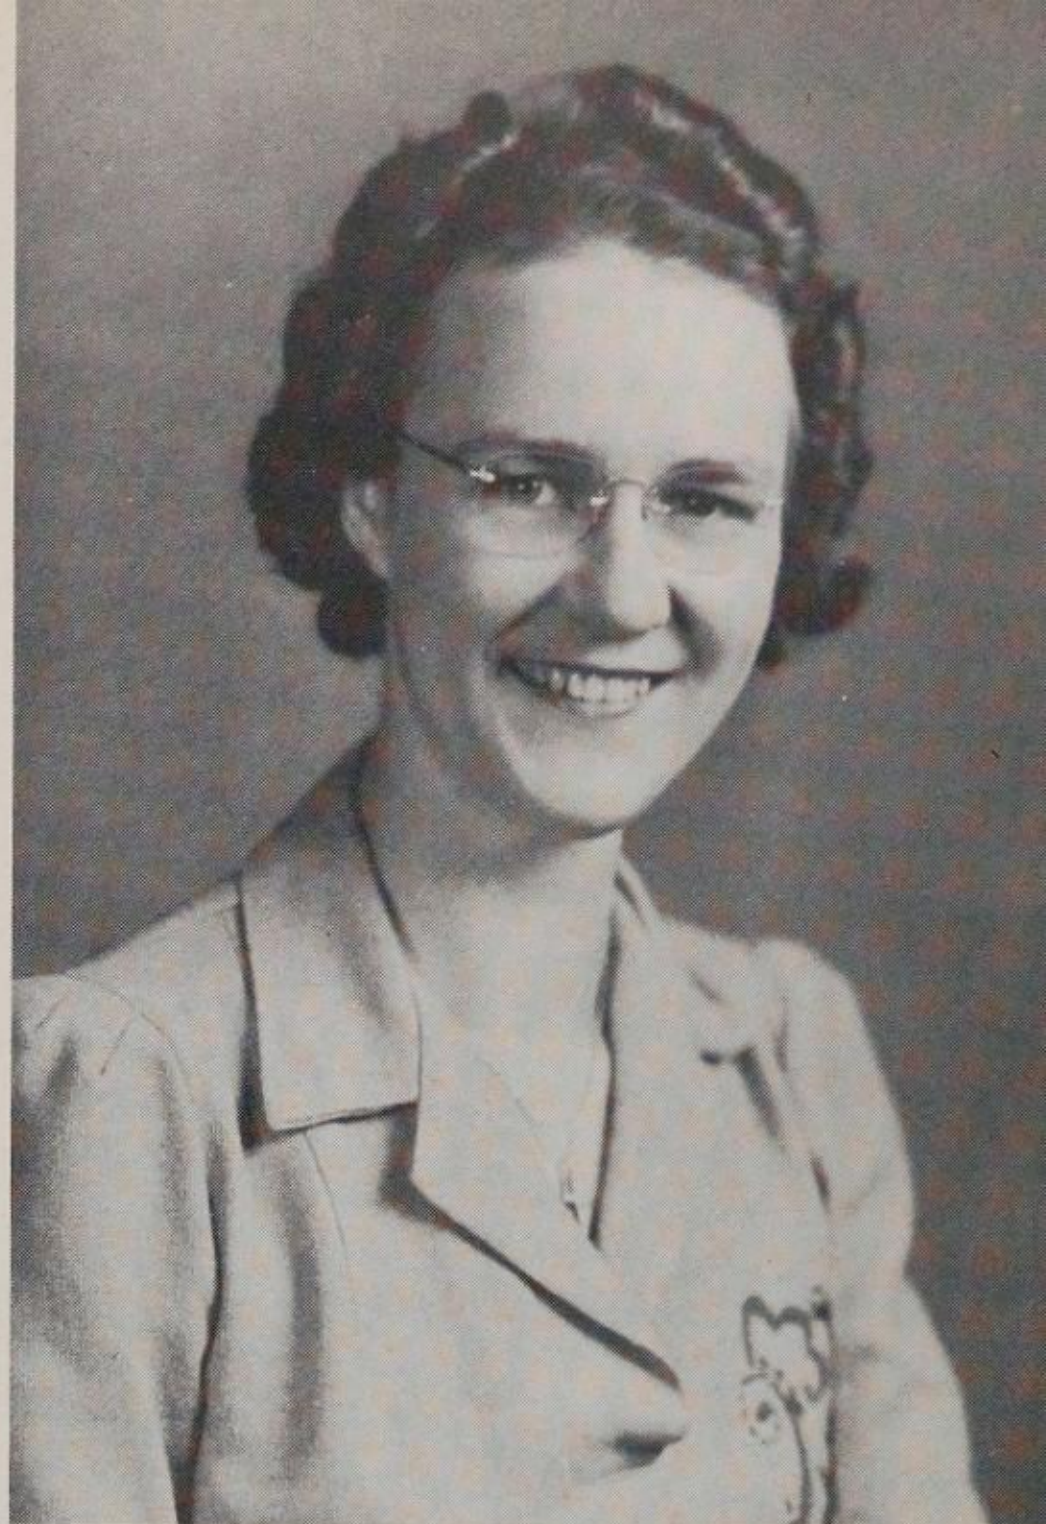

Several courses have been extended to include problems relating to the war effort. The addition of a pre-flight course in aeronautics is expected to assist several seniors in passing aviation cadet examinations. School schedules of a number of students have been adjusted in order to permit them to work in the war effort.

Graduates and former students of Lanphier now enlisted in the armed forces total approximately three hundred twenty-five. Reports from these men indicate that they are serving their country well. We extend our best wishes to these boys who are giving so much for the defense of their country.

Sincerely,

G. E. Stickney

MISS HULDA ALBRECHT
Dean of Girls

Our deans supervise the scholastic and social life of the students at Lanphier High School. The graduates of Lanphier will long remember the guiding influence, the kindly advice, and the sincere interest in their welfare. Their understanding of the problems which the student had to face has given many the courage and determination to complete their high school training.

SERGEANTS

At ease, Men!

Sergeants, the advance has been slow and steady, and casualties have greatly reduced your ranks, but the gains have been many. Under the instruction of able officers you have put on the armaments of knowledge, which have enabled you to succeed in this, your first major conflict. The training you have received will serve you well in your line of duty. Congratulations! A job well done. COMPANY DISMISSED!

Company, attention!

Your basic training is over and you have advanced in your ranks. Familiarity with your duties and efficiency in their performance will enable you to outwit the enemy. The conflict will be hard, the advance slow, the casualties many, but your job is incomplete.... Soldiers, ADVANCE, and engage the enemy!

Quill and Scroll is an international honor society for high school journalists. Membership is granted only to those students above the average in scholarship and character who have had published materials that are superior during the semesters they were actively engaged in publication work.

Bi-weekly publication of the school paper, "The Lanphier Light", is the main activity of the members of the Quill and Scroll and the Journalism Class.

THE ALPHA BETA OMEGA

The Alpha Beta Omega, the "society of intellectuals" at Lanphier, meets twice a month with Miss Raman as club adviser. Only students that have completed at least one full year of mathematics are eligible for membership in the club.

The club time is devoted to stimulating interest in outside fields of mathematics and to showing the practical application of mathematics in the many phases of life.

LANECON CLUB

The Lanecon Club, sponsored by the Home Economics Department, is one of the outstanding clubs of the school. Any girl having had one semester of Home Economics is eligible for membership.

The club exemplifying its motto "non nobis solis sed omnibus" has served the school by such events as the annual Christmas party, the Mother-Daughter Banquet, the Valentine party, the spring style show, and Courtesy Week.

A CAPPELLA CHOIR

The A Cappella Choir is a select group of eighty-five voices. Choir members, other than the freshman, receive full credit for their participation. Performances of the group this year included two school concerts, the Christmas Vespers, a Concert at Douglas M. E. Church, a program for the South Central Division of the State Teachers, and an appearance at the Easter Sunrise Service at Lake Springfield.

BAND

The band has been much in evidence this year at the football and basketball games, always winning approval by their interesting formations and fine playing.

Some of the high spots in the year's activities were: the band assembly, the spring concert, and the fine performance at the all-city massed band concert.

The librarians for the band are band members Betty Jurgens, Mary Bawulski and Gloria Vogt.

THE DRAMATIC CLUB

At the first meeting of the Dramatic Club, the officers were elected. Roy Stark was elected president; Charlene Tucker, vice president; Betty Ann Sandberg, secretary; and Bob Moore, treasurer. New members were initiated at the fall picnic which was held at Washington Park.

"A Murder Has Been Arranged" was presented as the fall play, and a short Christmas play "Mistletoe" was given before two down-town churches and the A. A. U. W. In the spring, the seniors put on "Mrs. Miniver" as their class play, and the year closed with the traditional spring picnic.

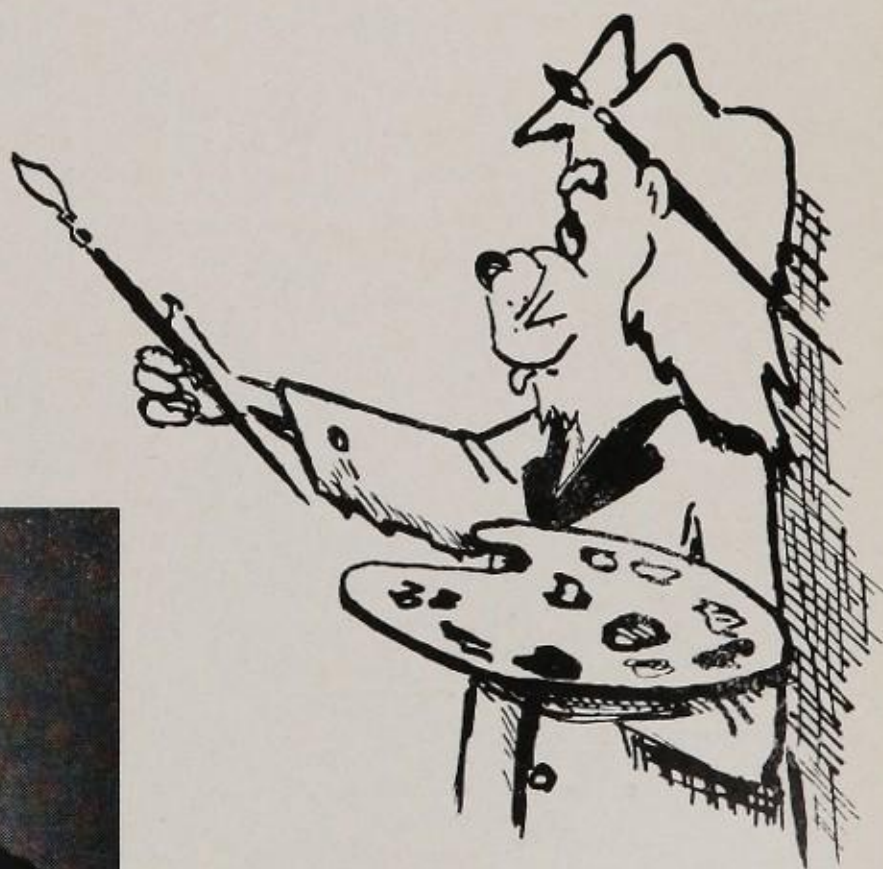

THE ART CLUB

Established primarily as an art appreciation group whose main objective was visiting museums and art exhibits, the art club has been forced to change its plans due to the prevailing transportation difficulties. Nevertheless, many individual visits to local displays have been reported and interesting meetings have been held at school.

A palette shaped pin designed and made by members of the club is the official insignia.

GIRLS' ATHLETIC ASSOCIATION

G. A. A. has two purposes: one, to provide opportunities for participation in sports and games; and two, to provide opportunities for practicing good sportsmanship.

On December 19th, the Lanphier G. A. A. was the hostess school for a basketball play day to which Springfield and Feitshans G. A. A. girls were invited.

Included among the activities of the group for this year were taffy apple sales and a coat hanger drive, with the proceeds from the latter being given to the U. S. O.

STUDENT COUNCIL

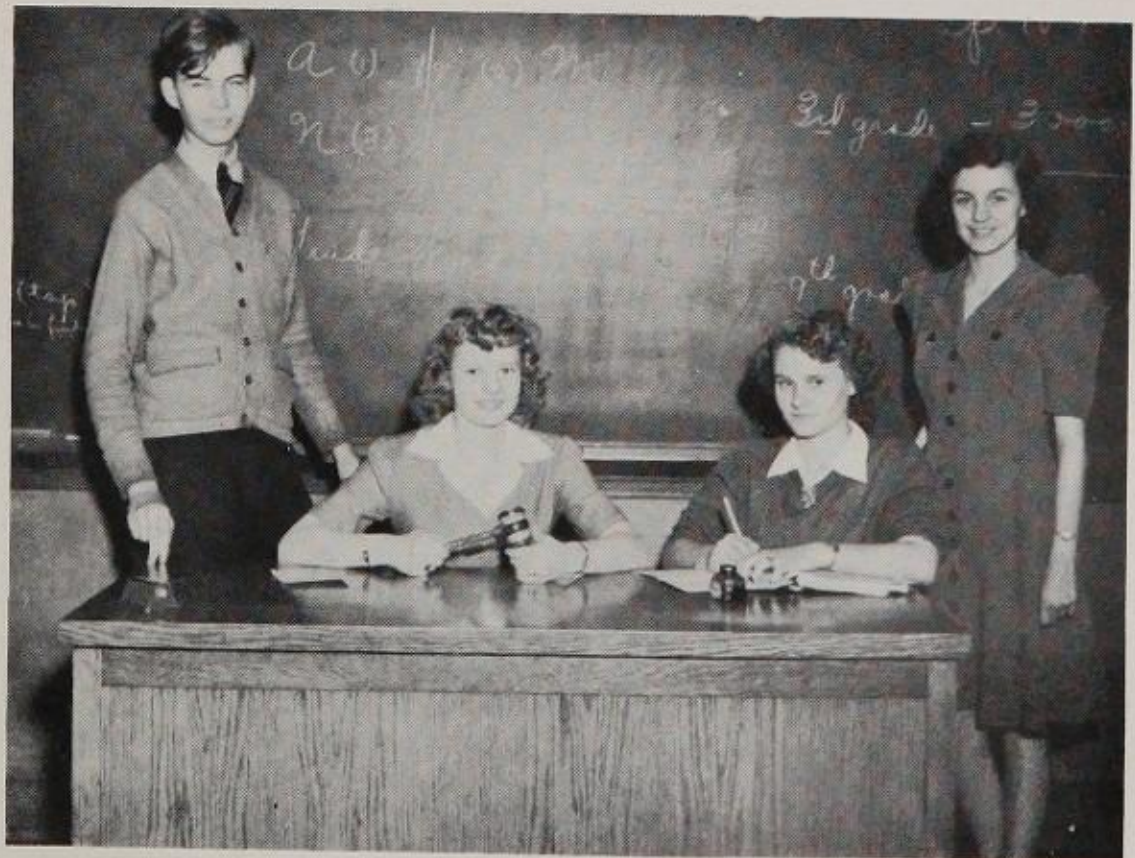

The Lanphier Student Council, a member of both the state and national organizations of student councils, is one of the important student activities of the school. Functioning somewhat like the Congress of our nation, it acts upon problems submitted by home-room representatives and works for the general welfare of the school.

The council this year has contributed greatly to the school's part in the war effort. In addition to promoting a scrap drive and selling bonds and stamps throughout the year, the group sponsored the ninety per cent drive for bonds and stamps which won for the school the privilege of flying the treasury minute man flag.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is predicated on meeting the standards set not only for Scholarship, but also for Leadership, Service and Character. One must have at least a four point average for the four years to be considered as a candidate. Ten per cent of the graduating class is admitted at the close of the 12¹ semester and five per cent at the end of the second term of the 12² semester after approval by the faculty. This year eighteen students have been duly honored.

ACTION

THE SPOILS OF WAR

During the Campaigns of 1937 to 1943, our plunder has steadily increased in volume. The first sweet victory over Springfield High School's football team occurred on Oct. 11, 1940. There have been three successive Central Conference Championships in 1938, '39, and '40.

Our basketball array is even more impressive. In 1937 we took first place in a Christmas Holiday Tournament. Then, in 1939, '42, and '43 the Lions captured Central Conference trophies. To top this we were Regional Champions in 1943.

In baseball, the team took the 1940 and '41 District Championships, and also in '41 the Sectional Tournament. Finally, in 1942 we took City Honors.

This collection of trophies pictured above is the pride and joy of Lanphier students and the envy of all our opponents.

THE ROOKIE TANK CORPS

Under Coach Sorrells our freshmen squad looked very promising for a fine future varsity team. Although they didn't play so many games, the ones in which they did participate were up to the high standards set by former freshmen. The material that Coach Sorrells has in these boys is the stuff that Champions are made from.

THE ROOKIE AIR CORPS

The up-and-coming basketball team of the next few years has been tested on the proving grounds. Coach Anderson has begun the process of molding them into a team worthy of the name of Lanphier. Their spirit undaunted, you will soon find them on the varsity squad. The record for their first year has been good, and we can see even more improvement in the years to come.

Ed Erickson, Bill Londrigan, Bob Cain, Evan Roberts, Bill Stoppleworth, Bill Stone, Skeets Favero, Bob Erickson, Mgr., Allan Williamson, Robert Allard, C. J. Reed, Bill Abbott, Pete Juarez, Larue Daniels, Jasper Ailleo, Coach Lindquist, Joe Townsend, Thomas Durako, Allen Crowe, Truman Barrington, Herman Korfanta, Don Benner, Richard Bryant.

HEAVY ARTILLERY

Although Coach Lindquist and the boys have been greatly hindered by the deluge of rain that descended upon us during the baseball season, they carried on and made a name for themselves even in the few games that they were able to play. The high point of the season was Bill Stone's no hit game against St. James. The schedule hasn't been completed yet but we expect to come out on top.

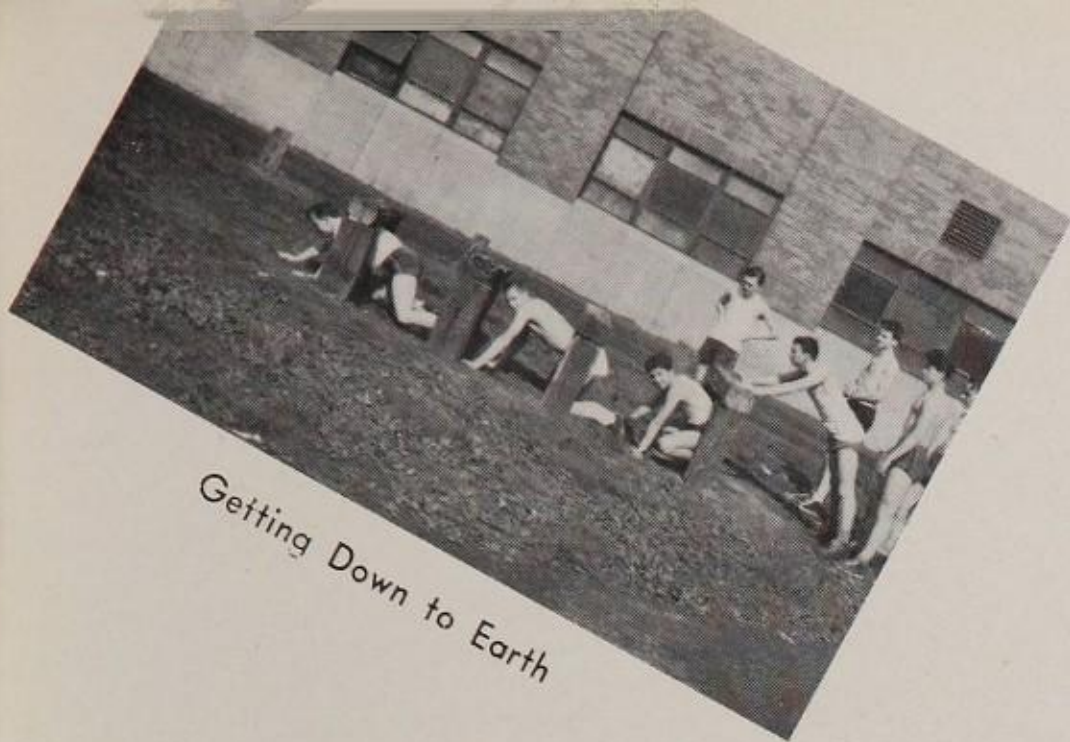

Don Huffman, Tony Grigalunas, Billy Washborn, Louie Miller, Harry Mester, J. W. Griffith, Bruce Dopp, Squeak Crowder, John Gaio, Jim Murphy, Bill Adamski, Frank Ramirez, Bill Harding, Fred Kopatz, Roger Beucker, Coach Dopp, Don Wilson, Bob Schafer, Jack Wicks, Art Kobialka, Bill Kochman, Charles Hopper, Richard Connell.

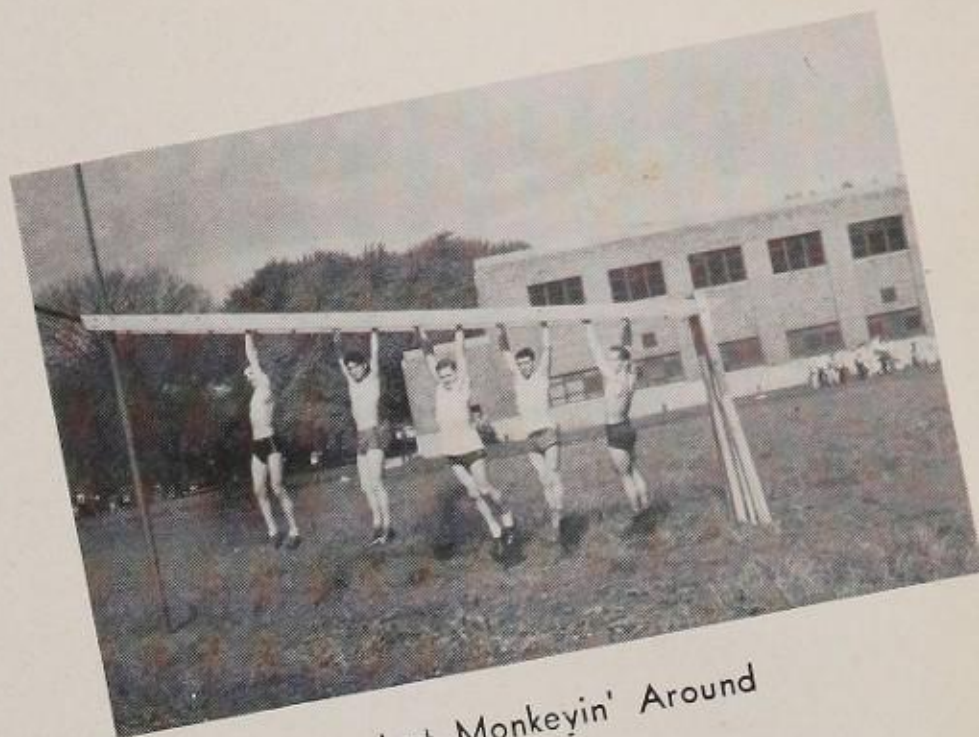

RECONNAISSANCE

The track team under Coach Dopp also has been hampered by the weather, but the fellows have come through in fine shape. Jim Murphy, although a mere freshman, has certainly cut some capers in the 100 yard dash. There has been a prediction that he may be all-state in his junior or senior year. The squad as a whole really hasn't been able to compete in enough meets to swing into its usual stride, but fair weather is ahead and they will soon resume scheduled tournaments.
